Dear Mindy DeGraff,

On behalf of the Northern Arizona University's College of Education, I would like to thank you for your valuable help as a teacher for the Mountain English Spanish Academy/ NAU Friday School partnership. This partnership is not only vital for preparing future educators, but is also vital for providing a rare and exciting opportunity for the MESA students to experience the benefits that Northern Arizona University has to offer. These students not only are exposed to excellent teaching strategies, they are also immersed in the college life. We hope that many of these students will return one day as NAU college students. Without your help and support, this could not be possible.

We hope that you will be continuing next semester. If you have any questions or comments, please do not hesitate to contact our graduate assistant, Theresa Ziegler (tjz2@dana.ucc.nau.edu). Once again, please accept our deepest gratitude for your service to the University and to the MESA students.

Sincerely,

A handwritten signature in blue ink that reads "Jim Manley".
